For the attention of Mr P. Vuckovic

Dear Paul

Re Site Security, Stretton Avenue, Willenhall, Coventry

Further to the successful completion of the above housing development, we write to thank you for the security services you have provided over the recent months.

We have been impressed by your attention given to this site that had been plagued by continual problems, with this in mind; we would have no hesitation in recommending your services to others

We look forward to working together in the future

Yours faithfully
