Professional security services for the business community

Security Services

With crime rates ever on the increase, it's never been more important to protect your interests. To help companies combat this and continue trading securely, the security industry has evolved to become an essential support service for businesses big and small.

Using a mixture of the latest technology and solid old fashioned business values, at Mercia Securities we're able to offer clients an up to date, tailor-made security service that meets their individual business needs. With client relationships based on reliability, honesty and integrity and over 20 years' industry experience, we're the natural choice for companies who value quality service and see their security arrangements as a vital element of their business.

Based in Coventry, Mercia Securities offers a range of professional security services to the business community, from traditional premises protection to secure waste disposal and shredding. We understand the issues facing businesses concerned about protecting their premises, information and staff and offer tailor-made personal solutions that address these problems head on. All our personnel are SIA licensed and fully trained in the use of the latest technology to ensure the utmost professionalism in every situation.

We offer a wide range of services but are ultimately flexible and no matter

what your needs are, will work with you to develop a solution that is second to none and gives you the peace of mind of knowing your security is in the best hands.

Mercia Securities offers a wide range of security services including:

- 24 hr on-site Guard Protection
- Retail, Industrial & Commercial Guarding
- CCTV & Remote Monitoring
- Key Holding & Alarm Response
- Patrol services
- Security dog handlers and security dogs
- Personal protection
- Event security
- Confidential waste shredding & disposal
- Security Window Filming
